

STATEMENT OF PURPOSE

RS22729

This legislation amends Sections 49-201, 49-207 and 49-654, Idaho Code, to give the Idaho Transportation Board the ability to increase maximum speed limits on Idaho roadways as deemed appropriate based on national safety standards and in keeping with their current practices. It does not require changes to be made within an identified timeframe.

FISCAL NOTE

The fiscal impact to the Idaho Transportation Department's budget is no more than \$20,000 to pay for signage changes.
